

# Dr. Hanspeter Durlesser

hanspeter.durlesser@coverdale.de  
CEO Coverdale India  
consultant, trainer, partner

## *Nothing is as certain as change!*

"My goal is to help people and organizations through change and transformation processes in such a way that they grasp these processes as an opportunity to grow and use them accordingly. Change continually helps us to leave our comfort zone and to recognize and apply more of our real potential in order to achieve our goals."

## Consulting and training focuses

- Consulting and facilitation for change and transformation processes of teams and organizations
- Development programs for senior and junior management personnel and trainees
- Coaching and supervision of individuals and teams
- Large-group facilitation and outdoor trainings
- Train-the-trainer programs
- Courses/seminars in team development, project management, sales/negotiation and conflict management

## Languages

- German
- English
